**THANK YOU! THANK YOU!** What a wonderful week it has been! We had such an awesome crew join us on Monday to peel & dice vegetables, make soup, and set up the Fellowship Hall for our Fall Festival Soup Supper. Although our turnout was smaller than we hoped it would be, we still consider it a big success as the people that came (between 75-100) had a great time with lots of positive comments on the delicious soups, barbeques, and amazing pies and desserts. We had an abundance of food for sure and so we shared much of it with our local Salvation Army. They were delighted to receive it! We will also share some during our coffee/fellowship hour this Sunday. Our crew on Tuesday was also a wonderful group and the camaraderie & fellowship that was shared both days proved to be a blessing for all who participated. A financial report will hopefully be completed by next week. A special note of thanks to those who responded to the plea to help move all the extra tables around both for our meal and then to put the tables and the Archive Cabinet all back again to where they belonged following the supper. Thanks be to God for our brothers and sisters in Christ who attended the supper and/or supported & helped in any way.

**Brown Bag Lunch Volunteers Needed**
